# Benefits for Professional Services Positions

Here at UEL we understand it's about more than just a salary.

It's about the entire package on offer along with our amazing working environment and inclusive culture.

# To help you fully understand what we're offering, we've created a comprehensive overview for you:

**Pension Contribution** – We offer a 20 per cent pension! You contribute 4 per cent and we'll contribute 16 per cent. If you prefer not to make any contributions, we'll still pay in 10 per cent for you.

**Death in Service** – The benefit we hope you never need. Three times your pensionable salary is payable for all members of the pension scheme.

**Holiday** – You'll receive 25 days per year, plus bank holidays. We usually close for three days during Christmas, so you should gain an extra three days.

**Shared Success Award** – We have a discretionary and non-contractual shared success bonus scheme with a value of up to £5,000 in the 23/24 academic year.

**Hybrid & Flexible Working** – Most of our roles are open to some hybrid and flexible working. However, this is dependent on the duties / responsibilities of the role and won't be available for all roles (average two days a week in office).

**Healthcare Cashback** – We provide access to the Simply Health cashback scheme so you can cover yourself and family at the right level for you.

**Employee Discount Portal** – Discounts on a wide range of items including tech products (inc Apple / Samsung etc) to holidays and naturally occurring retail spending from food shopping, dining out, clothing, DIY to cinemas. In March 2023 our 'Success Together' retail discount card will launch. This is a UEL-branded pre-pay Visa debit card which provides access to discounts (averaging saving of 7.5 per cent) at 94 retailers such as Argos, Asda, B&Q, Boots, Halfords, M&S, New Look, Pizza Hut, Primark, River Island, Sainsburys, Waterstones, Wilko and Zizzi among others.

**Cycle to Work Scheme** – This offers you an average discount of over 30 per cent for purchase of bikes and accessories with no minimum spend. The maximum cost is £3,000 allowing the purchase of e-bikes.

**Volunteering Leave** – We offer you an additional two days per annum on full pay for any charitable work. This is a time matching scheme, so you'll need to do four days volunteering using two days from your holiday entitlement.

**Eye Care Vouchers** – We've partnered with Specsavers and we will pay for your examination as well as making a contribution to the cost of the frames.

**Rail Tickets** – We offer an interest free loan for the purchase of rail tickets.

**Employee Assistance Programme** – We're all human and sometimes need some extra support. Our EAP offers you free and confidential access to a range of counselling and support services to help manage difficult situations. You can also access eight free counselling sessions.
